CREDIT REFERENCES

In some situations, payments beyond terms can be a result of misplaced invoices or disputed accounts. Equifax reports trade items as they are received and as such they represent an historical experience. An outstanding amount on this report is not necessarily still outstanding today.

INQUIRIES ON THIS FILE

An inquiry is registered when a report on this business is ordered by an Equifax Customer. Few or no inquiries may indicate that a business is not an active credit seeker. Numerous inquiries indicate that the business is an active credit seeker. Equifax does not use this information to compute its risk scores.

However, you may want to consider the following in you review:

- Do the number of inquiries seem appropriate for a business that size?
- Is this business shopping around for better supplier arrangements?
- Are they having problems paying their current suppliers and looking for credit from others unaware of their problems?
- Are they expanding, moving locations or opening another office?
- Are their current suppliers not meeting their current needs?
